The Disability Allowance helps with extra costs if you or a family member has a health condition, injury or disability lasting more than six months. The allowance can help with extra costs directly related to the health condition, injury or disability.

You'll need your doctor, specialist or nurse practitioner to fill in the Disability Allowance medical certificate in this form. You need to complete a separate form for each person you're applying for, so please ask if you need more forms.

Write your client number here if you know it. This number can be found on your Community Services Card or SuperGold Card if you have one.
