keeping taiohi contact details up to date

make sure you have the right contact details in ART

Please check that their mobile number is right and still in use.

They can update this through MyMSD, or you can do it through ART!

email

If a young person is still using their school email, support them to set up a new personal email so they do not miss important updates from MSD.

Support your taiohi to keep their info up-to-date today!

upcoming letters to taiohi about board and rent

we're sending letters to young people affected by this change

First letter sent on 3 February

This letter explains what their new payments may look like. It also asks them to get in touch if anything in their situation has changed.

If the board amount they told us is different from what their boarder told us, the letter will ask them to talk with their boarder and confirm the correct amount.

Second letter sent after 2 March

This letter confirms what their payments will be going forward.

Find out how young people may be affected:

drop-in recap: keeping ourselves well

Use the Te Whare Tapa Whā module to make sure you are looking after all aspects of your wellbeing

Work related wellbeing: ask yourself....

Do I know what I'm meant to be doing?
How's my workload?
Do I have the right support?
How are my workplace relationships?

Tips for forming new positive habits

- **Be persistent** – on average it takes 66 days before habits became automatic
- **Be realistic about the process** – forming a habit takes patience, self-discipline and commitment.
- **Use self-reflection** – ask: Why haven't you practiced this behavior before? What is stopping you?
- **Get enough sleep** – forming a new habit takes a lot of mental energy
- **Let go of the 'all-or-nothing' mentality** – every little bit counts and doing something is better than nothing
- **Stack your habits** – pair the new habit with an existing habit

youth service plan and education outcomes
Tuesday 10 February, 10am

Youth Service plans are one of the crucial elements of Youth Service. They help taiohi identify their goals and make a plan to achieve them, broken down into 90-day increments. Recently, many taiohi will have earned an NCEA qualification.

In this session you'll learn about recording Youth Service plans and education outcomes in ART.
