# Redirections of payment

- Redirection of Benefit Payment application form is needed for each redirection of benefit request
- A person or organisation who has not registered to receive payments from MSD before will need to sign the 'Redirection of benefit payment' form. Most organisations won't be required to signed the form i.e. power and phone companies.
- We get the person or organisation to sign the form to agree to use the redirection of payment as directed by the young person. i.e. to pay for their board payment.
- You can use this link to find more information on the Youth Service Provider [site](#).
- A factsheet on 'Redirections of payment' is attached to this message.

## Redirections eLearning module

- New updated information has been included in the Redirections eLearning module available on the provider website.
- Please read through the module to familiarise yourself with the updates and processing standards.
- You can find the eLearning module here: [Redirections – Overview | Rise 360 \(articulate.com\)](#)
