new jobs and skills hubs in Tairāwhiti and Lower Hutt

in the past two weeks two new jobs and skills hubs have opened!

In addition to the Jobs and Skills Hubs in Manukau, North Shore and Central Auckland there are new hubs in Lower Hutt and Tairāwhiti!

The new hubs are at 66 Customhouse Street in Tairāwhiti and 9 Kings Crescent in Lower Hutt.

If you're in Wellington, Auckland, or Eastern and are working with taiohi who are interested in trades, we'd love to see them at one of our hubs!

What are Jobs and Skills Hubs?

Jobs and Skills Hubs are a no-cost recruitment and training facilitation service to support Aotearoa's construction and infrastructure sectors.

For job seekers, the hubs are a one stop shop for jobs in construction and infrastructure. The hubs support people to upskill with apprenticeship and training opportunities.

Learn more on [their Facebook page](#) or by emailing JobsAndSkillsHubs@msd.govt.nz

exit plans

a number of taiohi leave Youth Service at the end of the school year

An exit plan can help young people transition smoothly from one place to another. It can involve career planning, self-reflection, exploring aspects of life, as well as investigating opportunities to develop and grow.

Now is the time to make sure each of your taiohi has an up-to-date exit plan.

You can find information about the exit process here:

If you want to know more about this process, or if you have any questions come to next Tuesday's drop-in session.

Taiohi may leave Youth Service for a variety of reasons, at any time. It's a good idea to keep an up-to-date exit plan ready to go for your taiohi.

In this session, we will cover how the exit process works – bring your questions about supporting young people to exit Youth Service.
