new art task for paid employment

here's how to properly use the paid employment tasks

We've added a new activity for part-time employment. This will allow us to see how many young people are in part-time employment or paid employment.

To make an employment activity, you will need to make a **'Full time / part time employment'** need.

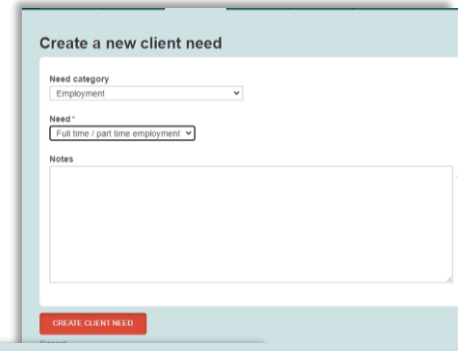

When to use the 'Part-time Employment' activity

- for all young people on YP/YPP
- for young people in NEET who are working less than 30 hours per week

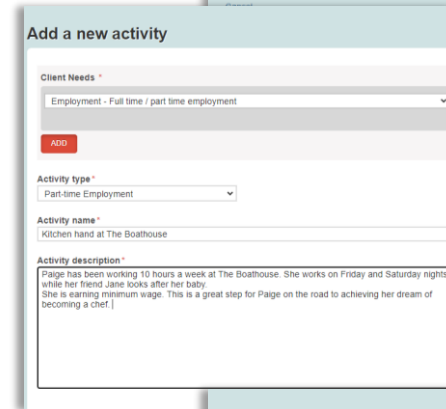

When to use the 'Paid Employment' activity

- For young people in NEET service who:
 - are working over 30 hours per week (including when they are working multiple jobs for a total of 30 hours of more)
 - are receiving in-work support by the youth coach.

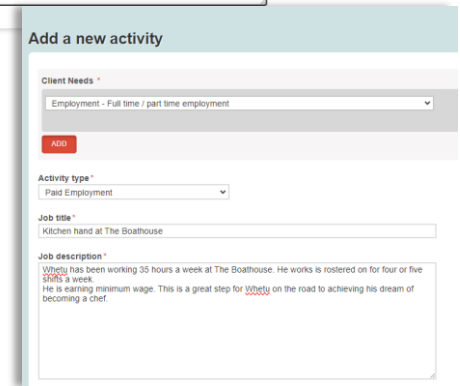

Remember: taiohi on a payment can earn up to \$258.08 gross per week before their benefit is reduced

This screenshot shows the 'Create a new client need' form. It includes a 'Need category' dropdown menu set to 'Employment', a 'Need' dropdown menu set to 'Full time / part time employment', and a 'Notes' text area. A red 'CREATE CLIENT NEED' button is located at the bottom right.

This screenshot shows the 'Add a new activity' form. The 'Client Needs' dropdown is set to 'Employment - Full time / part time employment'. There is a red 'ADD' button. The 'Activity type' dropdown is set to 'Part-time Employment'. The 'Activity name' field contains 'Kilchen hand at The Boathouse'. help us improve our services

📣 calling for volunteers to join the feedback group for proposed changes to our services 📣

We are always looking at ways to improve the systems and processes we use to support our young people.

When we come up with an idea, we like to check with our talented youth coaches – 🌟 like you 🌟 – to make sure it is helpful and makes sense.

We are looking for some volunteers that we can call on to try things out and let us know what they think.

If this sounds like something you would be interested in helping us with have a chat with your team leader and ask them to email us at:

a message from Dana Mauriohooho

As we move closer to the end of 2023, I would like to thank everyone in Youth Service for your continued dedication and support in changing the lives of our taiohi. We want to keep being of service to many taiohi who needs us most and continue to make a difference day in, day out.

Over this past year with the insights and feedback shared with us at National Office, we have seen some amazing operational enhancements to our service. Thank you for sharing with us so we can keep evolving services to taiohi.

Our service is about realising the dreams and aspirations of youth and we see our whakatauki 'tau awhitia te taiohi, ka puta ki te wheiao' coming to life each and every day.

Wishing you and your whānau a merry Christmas, and the very best wishes for the New Year.
