celebrate by helping taiohi apply today

On 5 October 1998, Student Services, or as we know it today, StudyLink Centralised Services, was established in Palmerston North.

Some of your taiohi will be heading off to study next year. If you want some tips for helping them apply check out the [Funding Education/StudyLink eLearning module](#).

And remember – 16 December is coming! Remind your taiohi to start their applications soon to avoid a last-minute rush.

You can't miss it.

Apply before **16 December** for your student allowance or loan.

exiting youth service Tuesday 17 October, 10am

Taiohi may leave Youth Service for a variety of reasons, at any time. It's a good idea to keep an up-to-date exit plan ready to go for your taiohi.

In this session, we will cover how the exit process works – bring your questions about supporting young people to exit Youth Service.
